The Consular Corps (Association) of Northern Ireland (CA-NI) serves diplomatic, consular, and international organisation officials (career and honorary) with the jurisdiction of Northern Ireland (resident & non-resident), accredited by the UK Department: Foreign, Commonwealth & Development Office (FCDO).

Officials are either a citizen and member of their own country's diplomatic foreign service (career appointment) posted overseas by the "sending state" to its own government buildings (mission) in a "receiving state" or a local resident who volunteers (part-time) through an honorary appointment by a foreign government. Officials represent and protect the interests of their government and nationals through commercial, educational, academic, sport and cultural activities, and consular services.

All activity is conducted within the respective international treaties:

- Vienna Convention on Diplomatic Relations (VCDR) 1961
- Vienna Convention on Consular Relations (VCCR) 1963
- Vienna Convention on the Law of Treaties between States and International Organizations or between International Organizations (VCLT) 1986

The Consular Corps objectives are to deal with matters affecting the diplomatic, consular, and international organisations in Northern Ireland; provide means and opportunities for the mutual acquaintance, friendship, and dialogue between all members; and enable (inter-alia) a platform for effective communication with each other and the "receiving" host administration.

- **Vice President:** Dr Federica Ferrieri
